Re: CAFA Notice of Proposed State of Pennsylvania Class Action Settlement

Case Caption: *Flaccus v. Advanced Disposal Services Eastern PA, Inc. et al.*
Case Number: 2:17-cv-04808-MAK
District Judge: The Honorable Mark A. Kearney
Pending in: United States District Court, Eastern District of Pennsylvania

Dear Mr. Attorney General:

On behalf of Defendants Advanced Disposal Services Eastern PA, Inc. and Advanced Disposal Services South, LLC (collectively the “Defendants” or “Advanced Disposal”), and pursuant to the Class Action Fairness Act of 2005 (“CAFA”) and specifically 28 U.S.C. § 1715(b), this notice is to inform you that the Parties in the above-captioned action (the “*Flaccus* Action”), which is currently pending in the United States District Court for the Eastern District of Pennsylvania (the “Court”), recently reached a proposed class settlement to resolve all claims at issue in the case. As part of their effort to obtain preliminary approval of the settlement, Advanced Disposal and Plaintiff Anne Flaccus (the “Plaintiff”) filed the proposed settlement documents with the Court, which under the Parties’ proposed Settlement Agreement and Release were deemed filed on February 21, 2023. The purpose of this notice is to provide you with information about the litigation, the settlement, the proposed notice program, the class members, and the procedural posture of the case. Where applicable, documents are provided in digital format (.pdf and .xlsx) on the enclosed CD.

Pursuant to 28 U.S.C. § 1715(b) and (c), please be advised as follows:

1. The complaints in the *Flaccus* Action (28 U.S.C. § 1715(b)(1)). The claims at issue were first asserted against Advanced Disposal on April 23, 2014. The Plaintiff’s initial Civil Action Complaint, Amended Class Action Complaint, Second Amended Class Action Complaint, and Third Amended Complaint – Class Action, are provided on the enclosed CD. (See **Exhibits**

“1,” “2,” “3,” and “4”). In addition, these filings are available on the Internet via the federal government’s Pacer service at <https://ecf.paed.uscourts.gov/cgi-bin/login.pl>. Additional information about the federal government’s Pacer service may be found at <http://pacer.psc.uscourts.gov>.

2. Although not specifically required by CAFA, the enclosed CD also contains a copy of Plaintiff’s Unopposed Motion for Conditional Class Certification and Preliminary Approval of Class Settlement filed on February 8, 2023 (Doc. 81), including all of the exhibits attached thereto (Docs. 81-1 to 81-8), as well as Advanced Disposal’s Notice of Filing Evidentiary Material in Support of Preliminary Approval of Class Settlement (Doc. 80), and the exhibits submitted therewith (Docs. 80-1 to 80-6), which are saved on the CD as **Exhibits “5” and “6.”**

3. The Parties’ proposed settlement agreement (28 U.S.C. § 1715(b)(4)). A copy of the Parties’ proposed Settlement Agreement and Release, including all of its exhibits, is attached as Exhibit A (Doc. 81-5) to the Declaration of Benjamin M. Mather (Doc. 81-4). (See **Exhibits “5-4” and “5-5”** on the CD included herewith).

4. Notice of any scheduled judicial hearing in the class action (28 U.S.C. § 1715(b)(2)). The Court set a hearing on Plaintiff’s Unopposed Motion for Conditional Class Certification and Preliminary Approval of Class Settlement on February 15, 2023. The Court has set the final approval hearing for the settlement on August 30, 2023, at 9:30 A.M. Eastern Time. The final approval hearing will take place in Courtroom 6B at the James A. Byrne U.S. Courthouse, 601 Market Street, Philadelphia, Pennsylvania 19106.

5. The proposed notice to the settlement class members (28 U.S.C. § 1715(b)(3)). The Parties’ initial proposed form of notice to be provided by first class mail to the settlement class members is attached as Exhibit 1 to the Parties’ proposed Settlement Agreement and Release (which is part of Doc. 81-5), and the Parties’ proposed website notice to the settlement class members is attached as Exhibit 3 to the Parties’ proposed Settlement Agreement and Release (which is also part of Doc. 81-5). In addition, the Parties’ amended proposed notices to the settlement class are attached as Exhibits 1 and 2 to Plaintiff’s Supplemental Memorandum in Support of Motion for Preliminary Approval of Settlement (filed at Docs. 84-1 and 84-3). Copies of the initial proposed forms of notice, the proposed preliminary approval Order certifying the Parties’ proposed settlement class, Plaintiff’s Supplemental Memorandum in Support of Motion for Preliminary Approval of Settlement, and the amended proposed notices are included on the enclosed CD as part of **Exhibit “5-5”** and as **Exhibits “5-2,” “7,” “7-1,” and “7-3.”**

In addition to describing the *Flaccus* Action and the major settlement terms (including the settlement benefits, the proposed attorneys’ fee award sought and the basis for its calculation, and the proposed incentive award), the proposed forms of notice advise settlement class members of their rights to object to the settlement, to “opt out” of the settlement class, or to receive a share of

the settlement proceeds, and further explain how to exercise those rights and by when, and how to get more information free of charge. The proposed forms of notice also direct the settlement class members to a website set up and run by the Court-appointed settlement benefits administrator, (*see* Exhibits 1 and 3 to the Parties' proposed Settlement Agreement and Release, as well as Exhibits 1 and 3 to Plaintiff's Supplemental Memorandum in Support of Motion for Preliminary Approval of Settlement), which will provide additional details about the proposed Settlement Agreement and Release, including a long-form notice containing numerous frequently asked questions about the *Flaccus* Action, details about the proposed settlement and the settlement class members' rights to object or opt out, copies of the relevant case filings from the *Flaccus* Action (*e.g.*, the complaints, the settlement agreement and release, the unopposed motion for conditional class certification, the preliminary approval order, and the attorneys' fee petition), and a toll-free number that settlement class members can call with additional questions. Notably, the website will also explain that the Court has scheduled a final approval hearing regarding the Parties' proposed Settlement Agreement and Release on August 30, 2023, whereat the Court will hear any concerns or objections that any settlement class members may have regarding the fairness of the proposed Settlement Agreement and Release before determining whether or not to grant final approval to it.

6. Any settlement or other agreement contemporaneously made between class counsel and counsel for the Defendants (28 U.S.C. § 1715(b)(5)). The Parties' Settlement Agreement and Release, along with all of its exhibits, memorializes the entirety of the agreements and compromises between the Parties and their respective counsel regarding the *Flaccus* Action. There are no contemporaneous agreements between class counsel and Advanced Disposal's counsel other than what is contained in the Parties' proposed Settlement Agreement and Release itself.

7. Any final judgment or notice of dismissal (28 U.S.C. § 1715(b)(6)). As of the date of this letter, the Court has not entered — and the Parties have not proposed any form of — a final judgment or notice of dismissal. However, the Parties sought entry of a proposed Order granting Plaintiff's Motion to conditionally certify a class and for preliminary approval of the Parties' proposed Settlement Agreement and Release, which is again attached to the Parties' proposed Settlement Agreement and Release as Exhibit 2 (filed as part of Doc. 81-5 and separately at Doc. 81-2), and included as part of **Exhibit "5-5"** and as **Exhibit "5-2"** on the CD enclosed herewith. Additionally, the Court granted Plaintiff's Motion to conditionally certify a class and for preliminary approval of the Parties' proposed Settlement Agreement and Release on February 21, 2023. A copy of this Order (filed at Doc. 85) is included as **Exhibit "8"** on the CD enclosed herewith.

8. Data regarding the proposed settlement class (28 U.S.C. § 1715(b)(7)). Plaintiff filed the *Flaccus* Action on April 23, 2014, on behalf of herself and the putative class, alleging that Advanced Disposal improperly charged certain fees to Plaintiff and the putative class, including fuel surcharges, environmental fees, and administrative fees, in breach of their contracts with Advanced Disposal to provide certain waste removal services. Advanced Disposal denied

Honorable Merrick B. Garland

Page 4

the allegations, asserted that its actions complied with the applicable contracts and other applicable provisions of Pennsylvania state and common law, and at all times maintained that the *Flaccus* Action failed to meet the prerequisites for class action treatment under applicable law.

On January 17, 2023, the Parties participated in private mediation before the Honorable Morton Denlow of JAMS. With Judge Denlow's assistance, the parties were able to resolve the *Flaccus* Action during the mediation. The proposed settlement class in the *Flaccus* Action consists of approximately Twelve Thousand Two Hundred and Twenty-Nine (12,229) commercial customers of Advanced Disposal in Pennsylvania who, from October 1, 2012 to September 12, 2018, paid one or more of a fuel surcharge, environmental fee, or administrative fee to Advanced Disposal, and who did not sign a written contract with Advanced Disposal that included an arbitration clause and class action waiver. The following are excluded from the settlement class: (1) all customers who signed a written contract that included an arbitration clause and class action waiver; (2) the district and magistrate judges presiding over the *Flaccus* Action; (3) the judges of the Third Circuit; (4) the immediate families of the preceding person(s); (5) any Released Party as that term is defined by the proposed Settlement Agreement and Release; (6) any settlement class member who timely opts out of the Settlement Agreement and Release; and (7) class counsel, their employees, and their immediate families.

Under the Parties' proposed Settlement Agreement and Release, which is again Exhibit A (Doc. 81-5) to the Declaration of Benjamin M. Mather (Doc. 81-4), (*see* **Exhibit "5-4"** and **Exhibit "5-5"** on the CD included herewith), Advanced Disposal will pay Two Million, Two Hundred Thousand Dollars (\$2,200,000.00) into a common settlement fund. After payment of the costs of notice and administration, as well as the Court-approved attorneys' fee, litigation expenses, and class representative incentive award, the remaining amount of the common settlement fund (estimated at more than 60% of the total common settlement fund) will be divided *pro rata* (based on the share of fees that each settlement class member paid during the class period) among the approximately 12,229 settlement class members whose checks are cashed and not returned, except for approximately 112 settlement class members who were previously credited back the full amount, or more than the full amount, of the fees that such settlement class members paid during the class period. For these approximately 112 settlement class members, the amount of the settlement payment to be made to each such settlement class member will be Twenty-Five (\$25.00) Dollars. In addition, Advanced Disposal will also ensure that any purported debts owed to Advanced Disposal by the settlement class members for services rendered by Advanced Disposal in Pennsylvania during the class period as reflected by Advanced Disposal's records are fully and totally eliminated/written off. According to Advanced Disposal's records, the debt incurred by settlement class members and not paid to Advanced Disposal is approximately \$565,345.60.

A Microsoft Excel spreadsheet that lists out the settlement class members is included on the enclosed CD as **Exhibit "9."**

Honorable Merrick B. Garland

9. Any written judicial opinion relating to the Parties' settlement and the class notice (28 U.S.C. § 1715(b)(8)). The Settlement Agreement and Release includes, and the Parties sought entry of, a proposed Order granting Plaintiff's Motion to conditionally certify a class and for preliminary approval of the Parties' proposed Settlement Agreement and Release, which is again attached to the Parties' proposed Settlement Agreement and Release as Exhibit 2 (filed as part of Doc. 81-5 and as Doc. 81-2), and included as part of **Exhibit "5-5"** and as **Exhibit "5-2"** on the CD enclosed herewith.

As of the date of this letter, no final approval decision or opinion has been entered by the Court with respect to the Parties' proposed Settlement Agreement and Release. However, the Court again granted the Plaintiff's Unopposed Motion for Conditional Class Certification and Preliminary Approval of Class Settlement on February 21, 2023. A copy of this Order certifying the settlement class, preliminarily approving the class action settlement, and approving the proposed notice plan (filed at Doc. 85) is again included as **Exhibit "8"** on the CD enclosed herewith.

Finally, please be advised that this CAFA notice was previously submitted to the Court as Exhibit 4B to Plaintiff's Supplemental Memorandum in Support of Motion for Preliminary Approval of Settlement (filed at Doc. 84-7), which thereafter entered the Order (Doc. 85) certifying the settlement class, preliminarily approving the class action settlement, and approving the proposed notice plan. If you have any questions about this notice, the lawsuit, or any of the enclosed materials, please do not hesitate to contact me directly.

Very truly yours,

As part of their effort to obtain preliminary approval of the settlement, Advanced Disposal and Plaintiff Anne Flaccus (the “Plaintiff”) filed the proposed settlement documents with the Court, which under the Parties’ proposed Settlement Agreement and Release were deemed filed on February 21, 2023. The purpose of this notice is to provide you with information about the litigation, the settlement, the proposed notice program, the class members, and the procedural posture of the case. Where applicable, documents are provided in digital format (.pdf and .xlsx) on the enclosed CD.

Pursuant to 28 U.S.C. § 1715(b) and (c), please be advised as follows:

1. The complaints in the *Flaccus* Action (28 U.S.C. § 1715(b)(1)). The claims at issue were first asserted against Advanced Disposal on April 23, 2014. The Plaintiff’s initial Civil Action Complaint, Amended Class Action Complaint, Second Amended Class Action Complaint, and Third Amended Complaint – Class Action, are provided on the enclosed CD. 2. Although not specifically required by CAFA, the enclosed CD also contains a copy of Plaintiff’s Unopposed Motion for Conditional Class Certification and Preliminary Approval of Class Settlement filed on February 8, 2023 (Doc. 81), including all of the exhibits attached thereto (Docs. 81-1 to 81-8), as well as Advanced Disposal’s Notice of Filing Evidentiary Material in Support of Preliminary Approval of Class Settlement (Doc. 80), and the exhibits submitted therewith (Docs. 80-1 to 80-6), which are saved on the CD as **Exhibits “5” and “6.”**

3. The Parties’ proposed settlement agreement (28 U.S.C. § 1715(b)(4)). A copy of the Parties’ proposed Settlement Agreement and Release, including all of its exhibits, is attached as Exhibit A (Doc. 81-5) to the Declaration of Benjamin M. Mather (Doc. 81-4). (See **Exhibits “5-4” and “5-5”** on the CD included herewith).

4. Notice of any scheduled judicial hearing in the class action (28 U.S.C. § 1715(b)(2)). The Court set a hearing on Plaintiff’s Unopposed Motion for Conditional Class Certification and Preliminary Approval of Class Settlement on February 15, 2023. The Court has set the final approval hearing for the settlement on August 30, 2023, at 9:30 A.M. Eastern Time. The final approval hearing will take place in Courtroom 6B at the James A. Byrne U.S. Courthouse, 601 Market Street, Philadelphia, Pennsylvania 19106.

5. The proposed notice to the settlement class members (28 U.S.C. § 1715(b)(3)). The Parties’ initial proposed form of notice to be provided by first class mail to the settlement class members is attached as Exhibit 1 to the Parties’ proposed Settlement Agreement and Release (which is part of Doc. 81-5), and the Parties’ proposed website notice to the settlement class members is attached as Exhibit 3 to the Parties’ proposed Settlement Agreement and Release (which is also part of Doc. 81-5). In addition, the Parties’ amended proposed notices to the settlement class are attached as Exhibits 1 and 2 to Plaintiff’s Supplemental Memorandum in Support of Motion for Preliminary Approval of Settlement (filed at Docs. 84-1 and 84-3). Copies of the initial proposed forms of notice, the proposed preliminary approval Order certifying the Parties’ proposed settlement class, Plaintiff’s Supplemental Memorandum in Support of Motion for Preliminary Approval of Settlement, and the amended proposed notices are included on the enclosed CD as part of **Exhibit “5-5”** and as **Exhibits “5-2,” “7,” “7-1,” and “7-3.”**

In addition to describing the *Flaccus* Action and the major settlement terms (including the settlement benefits, the proposed attorneys’ fee award sought and the basis for its calculation, and the proposed incentive award), the proposed forms of notice advise settlement class members of their rights to object to the settlement, to “opt out” of the settlement class, or to receive a share of

the settlement proceeds, and further explain how to exercise those rights and by when, and how to get more information free of charge. The proposed forms of notice also direct the settlement class members to a website set up and run by the Court-appointed settlement benefits administrator, (*see* Exhibits 1 and 3 to the Parties' proposed Settlement Agreement and Release, as well as Exhibits 1 and 3 to Plaintiff's Supplemental Memorandum in Support of Motion for Preliminary Approval of Settlement), which will provide additional details about the proposed Settlement Agreement and Release, including a long-form notice containing numerous frequently asked questions about the *Flaccus* Action, details about the proposed settlement and the settlement class members' rights to object or opt out, copies of the relevant case filings from the *Flaccus* Action (*e.g.*, the complaints, the settlement agreement and release, the unopposed motion for conditional class certification, the preliminary approval order, and the attorneys' fee petition), and a toll-free number that settlement class members can call with additional questions. Notably, the website will also explain that the Court has scheduled a final approval hearing regarding the Parties' proposed Settlement Agreement and Release on August 30, 2023, whereat the Court will hear any concerns or objections that any settlement class members may have regarding the fairness of the proposed Settlement Agreement and Release before determining whether or not to grant final approval to it.

6. Any settlement or other agreement contemporaneously made between class counsel and counsel for the Defendants (28 U.S.C. § 1715(b)(5)). The Parties' Settlement Agreement and Release, along with all of its exhibits, memorializes the entirety of the agreements and compromises between the Parties and their respective counsel regarding the *Flaccus* Action. There are no contemporaneous agreements between class counsel and Advanced Disposal's counsel other than what is contained in the Parties' proposed Settlement Agreement and Release itself.

7. Any final judgment or notice of dismissal (28 U.S.C. § 1715(b)(6)). As of the date of this letter, the Court has not entered — and the Parties have not proposed any form of — a final judgment or notice of dismissal. However, the Parties sought entry of a proposed Order granting Plaintiff's Motion to conditionally certify a class and for preliminary approval of the Parties' proposed Settlement Agreement and Release, which is again attached to the Parties' proposed Settlement Agreement and Release as Exhibit 2 (filed as part of Doc. 81-5 and separately at Doc. 81-2), and included as part of **Exhibit "5-5"** and as **Exhibit "5-2"** on the CD enclosed herewith. Additionally, the Court granted Plaintiff's Motion to conditionally certify a class and for preliminary approval of the Parties' proposed Settlement Agreement and Release on February 21, 2023. A copy of this Order (filed at Doc. 85) is included as **Exhibit "8"** on the CD enclosed herewith.

8. Data regarding the proposed settlement class (28 U.S.C. § 1715(b)(7)). Plaintiff filed the *Flaccus* Action on April 23, 2014, on behalf of herself and the putative class, alleging that Advanced Disposal improperly charged certain fees to Plaintiff and the putative class, including fuel surcharges, environmental fees, and administrative fees, in breach of their contracts with Advanced Disposal to provide certain waste removal services. the allegations, asserted that its actions complied with the applicable contracts and other applicable provisions of Pennsylvania state and common law, and at all times maintained that the *Flaccus* Action failed to meet the prerequisites for class action treatment under applicable law.

On January 17, 2023, the Parties participated in private mediation before the Honorable Morton Denlow of JAMS. With Judge Denlow's assistance, the parties were able to resolve the *Flaccus* Action during the mediation. The proposed settlement class in the *Flaccus* Action consists of approximately Twelve Thousand Two Hundred and Twenty-Nine (12,229) commercial customers of Advanced Disposal in Pennsylvania who, from October 1, 2012 to September 12, 2018, paid one or more of a fuel surcharge, environmental fee, or administrative fee to Advanced Disposal, and who did not sign a written contract with Advanced Disposal that included an arbitration clause and class action waiver. The following are excluded from the settlement class: (1) all customers who signed a written contract that included an arbitration clause and class action waiver; (2) the district and magistrate judges presiding over the *Flaccus* Action; (3) the judges of the Third Circuit; (4) the immediate families of the preceding person(s); (5) any Released Party as that term is defined by the proposed Settlement Agreement and Release; (6) any settlement class member who timely opts out of the Settlement Agreement and Release; and (7) class counsel, their employees, and their immediate families.

Under the Parties' proposed Settlement Agreement and Release, which is again Exhibit A (Doc. 81-5) to the Declaration of Benjamin M. Mather (Doc. 81-4), (*see* **Exhibit "5-4"** and **Exhibit "5-5"** on the CD included herewith), Advanced Disposal will pay Two Million, Two Hundred Thousand Dollars (\$2,200,000.00) into a common settlement fund. After payment of the costs of notice and administration, as well as the Court-approved attorneys' fee, litigation expenses, and class representative incentive award, the remaining amount of the common settlement fund (estimated at more than 60% of the total common settlement fund) will be divided *pro rata* (based on the share of fees that each settlement class member paid during the class period) among the approximately 12,229 settlement class members whose checks are cashed and not returned, except for approximately 112 settlement class members who were previously credited back the full amount, or more than the full amount, of the fees that such settlement class members paid during the class period. For these approximately 112 settlement class members, the amount of the settlement payment to be made to each such settlement class member will be Twenty-Five (\$25.00) Dollars. In addition, Advanced Disposal will also ensure that any purported debts owed to Advanced Disposal by the settlement class members for services rendered by Advanced Disposal in Pennsylvania during the class period as reflected by Advanced Disposal's records are fully and totally eliminated/written off. According to Advanced Disposal's records, the debt incurred by settlement class members and not paid to Advanced Disposal is approximately \$565,345.60.

A Microsoft Excel spreadsheet that lists out the settlement class members is included on the enclosed CD as **Exhibit "9."**

9. Any written judicial opinion relating to the Parties' settlement and the class notice (28 U.S.C. § 1715(b)(8)). The Settlement Agreement and Release includes, and the Parties sought entry of, a proposed Order granting Plaintiff's Motion to conditionally certify a class and for preliminary approval of the Parties' proposed Settlement Agreement and Release, which is again attached to the Parties' proposed Settlement Agreement and Release as Exhibit 2 (filed as part of Doc. 81-5 and as Doc. 81-2), and included as part of **Exhibit "5-5"** and as **Exhibit "5-2"** on the CD enclosed herewith.

As of the date of this letter, no final approval decision or opinion has been entered by the Court with respect to the Parties' proposed Settlement Agreement and Release. However, the Court again granted the Plaintiff's Unopposed Motion for Conditional Class Certification and Preliminary Approval of Class Settlement on February 21, 2023. A copy of this Order certifying the settlement class, preliminarily approving the class action settlement, and approving the proposed notice plan (filed at Doc. 85) is again included as **Exhibit "8"** on the CD enclosed herewith.

Finally, please be advised that this CAFA notice was previously submitted to the Court as Exhibit 4A to Plaintiff's Supplemental Memorandum in Support of Motion for Preliminary Approval of Settlement (filed at Doc. 84-6), which thereafter entered the Order (Doc. 85) certifying the settlement class, preliminarily approving the class action settlement, and approving the proposed notice plan. If you have any questions about this notice, the lawsuit, or any of the enclosed materials, please do not hesitate to contact me directly.
